gwendoline summers knows what it is like to baby her husband her first book is a guide to other women seeking to take their partner in hand and make them the baby they both need him to be this is not an enforced babying guide but rather one to help women who already know that their partners need the security of diapers a pacifier and a babyish lifestyle to achieve that goal this book is not just for women with ab partners but for all women whether their partners are ab or not she takes it step by step in how to slowly get your partner into diapers and other baby items if your partner is ab then you are already part way there but if they are non ab this book is still for you it is a guide book along a journey of letting our men express the infancy inside that is so often just beneath the surface

this book is intended as a primer for those who wish to implement diaper discipline and dominance into their relationship you don't need experience or even to be wearing diapers yet this is a guide for serious people about a serious journey into upending the way we traditionally operate our relationships by involving diapers and changing the way we look at adult behaviour and discipline join evelyn as she explains her ways of introducing and using diapers as part of your relationship

a deeply personal account of life as a poet's wife is now available in english mok sun ok poet chon sang pyong's wife of over 20 years writes about her years with the poet

the world of the adult baby can appear bizarre and incomprehensible to many from the outside looking in even to adult babies themselves the powerful drives and confusing needs can be a struggle to manage in the bent's second major work on the topic this book dissects the psychological structure of adult infantile regression and seeks to answer many of the seemingly

unanswerable questions such as why are people attracted to diapers where did this all come from and what do i do about this discover more at abdiscovery.com as this book is designed not just for adult babies themselves but also family friends partners and therapists who want to simply understand what is going on there is a lot more to adult babies than diapers and pacifiers read this book to learn more

parents share the highs and lows of parenting a child with add adhd sensory disorders childhood depression asperger s syndrome autism and physical and learning disabilities

carl h gellenthien was a senior medical student at the university of illinois when he discovered that he had an advanced case of tuberculosis at that time the 1920s the only known treatment was rest and fresh air the climate of the american southwest was thought to be one of the best because of the dry air and sunshine young carl although given only two years to live went to valmora new mexico where a tuberculosis sanatorium had been established in 1904 by fr william t brown he was not only cured but went back to school and completed his medical studies he then returned to valmora married brown s daughter and later became the medical director of valmora sanatorium dorothy simpson beimer a native of las vegas new mexico is a professor emeritus from new mexico highlands university in las vegas she is also the author of audrey of the mountains the story of a twentieth century pioneer woman written under the name dorothy audrey simpson also from sunstone press with a ba from new mexico highlands university an ms from the university of utah and an edd from the university of new mexico dr simpson taught over thirty years and has written many articles for magazines and other publications
